GMO STATEMENT:

MAY 2021

To Whom It May Concern:

We at Olam Edible Nuts (OEN) recognize the current concerns that some customers may have regarding the use of products and/or ingredients containing and/or derived from genetically modified components.

This statement shall serve as certification that all raw peanuts, roasted peanuts, granulated peanuts, and 100% peanut paste sold by OEN may be classified as "GMO Free" or "Non GMO". The products were made or grown from food or seed that has not been knowingly or intentionally commingled with food that may have been produced with genetic engineering. Under penalty of perjury this is true and correct to the best of our knowledge.

We recognize the importance of this issue to your business and assure you that we will continue to provide you with any new and pertinent information in this matter as it becomes available.

Sincerely,

Ben Hackney
